My Life (1993)

Genre: Drama

Run Time: 117 Minutes

Rating: Rated PG-13 for mature themes (questionable for children) and profanity

Plot: Bob Jones learned as a young boy that you don't always get what you pray for. But now, as an adult, Bob is diagnosed with cancer and once again prays with the faith of a child for the one thing he wants most – that he'll live long enough to see his own child born. He sets out to videotape all the advice he most wants to give his child.

Discussion Starters:

- What can we pray for?
- How does God work through our prayers?
- If you wanted to leave behind a tape of what you thought was most important in life, what kinds of things would you include?
- Read some of Paul's words in 2 Timothy 4:6-8. What might make someone's final thoughts so confident?
