# **Shadowlands (1993)**

**Genre:** Drama/Romance

**Run Time:** 131 Minutes

**Rating:** Rated PG

**Plot:** The story joins the life of C.S. Lewis late, after he has established himself as an internationally known Christian writer, speaker and professor. However, young love enters his life via Joy Gresham. Lewis goes through the passion of love and the agony of loss as Joy succumbs to cancer. Lewis walks us through the experience of faith in suffering.

### **Discussion Starters:**

- How do you think Lewis' faith changed during these years?
- How has your faith changed in the midst of suffering?
- Why does God allow us to go through times like these?
- Read Hebrews 2:9-10. What's the significance of this passage in relation to trials like these?
- What difference does it make that Jesus suffered as we do?
