

Expecting a new addition to your family?

Great Expectations is a ministry designed to help support and encourage first-time expectant moms through their pregnancy and into the first six weeks of their baby's life.

When you enroll in the Great Expectations ministry, you will:

- ☞ be paired with an experienced mom as your very own "pregnancy pal" to answer questions and talk you through the ups and downs of pregnancy.
- ☞ be prayed for throughout your pregnancy. The entire team will pray for you and your baby when you go into labor and throughout your delivery.
- ☞ receive the book, "The Power Of A Praying Parent," as well as other parenting tips and information.
- ☞ receive information about our nursery and baby dedication.

To register, fill out and provide the following information to our Nursery Director, Monica Boyd. You can also call or e-mail Monica at 770-754-7900, ext. 102, or mboyd@stonecreekchurch.org.
