

Spring Groups Guide

February to May, 2010

Helping people walk with those who walk with God and explore what it means to pursue life in Jesus as their greatest passion.

Walk with those who walk with God.

At Stonecreek Church, our small groups are where people walk with those who walk with God and explore more about what it means to pursue life in Jesus as your greatest passion.

Our spring groups begin the first week of February and last through mid-May. There are several different groups to choose from and this guide will help you find the group that fits your schedule and location.

To join a group:

- Find a group in this guide, complete the form on the last page and drop the guide off at the Group Life table or at Guest Services.

OR

- Visit the Group Life page at stonecreekchurch.org, click on 'Find A Group' and select a group from the same list in our online GroupFinder.

When we get your group choice, we'll have that group leader give you a call within a few days to confirm all of the details and invite you to join in.

Still have questions? Contact Jason Howard, Stonecreek's director of adult ministries (770-754-7900 x112, groups@stonecreekchurch.org) to learn more.

I hope you will join us in a group this spring.

As Beth Moore teaches in *Breaking Free: The Journey, The Stories*, with God's power you can change the course of your life. Beth uses key verses from the book of Isaiah to help you face your strongholds, overcome them and change your story. During this 11-session study you will experience both a large group teaching time and weekly small group discussion.

At some level most of us realize that how we live impacts the people and circumstances around us. The question we must ask ourselves is not if we will make a mark, but what kind of mark will we make?
